

Invasive Alien Species reporting under EU Regulation 1143/2014

This metadata refers to the information and data related to the first reporting under the EU Regulation 1143/2014 on invasive alien species (IAS).

The data contains information on Invasive Alien Species (IAS) of Union concern included in the relevant Union List and on Invasive Alien Species of Member State concern. The provision of information on spatial distribution of IAS of Member State concern was optional.

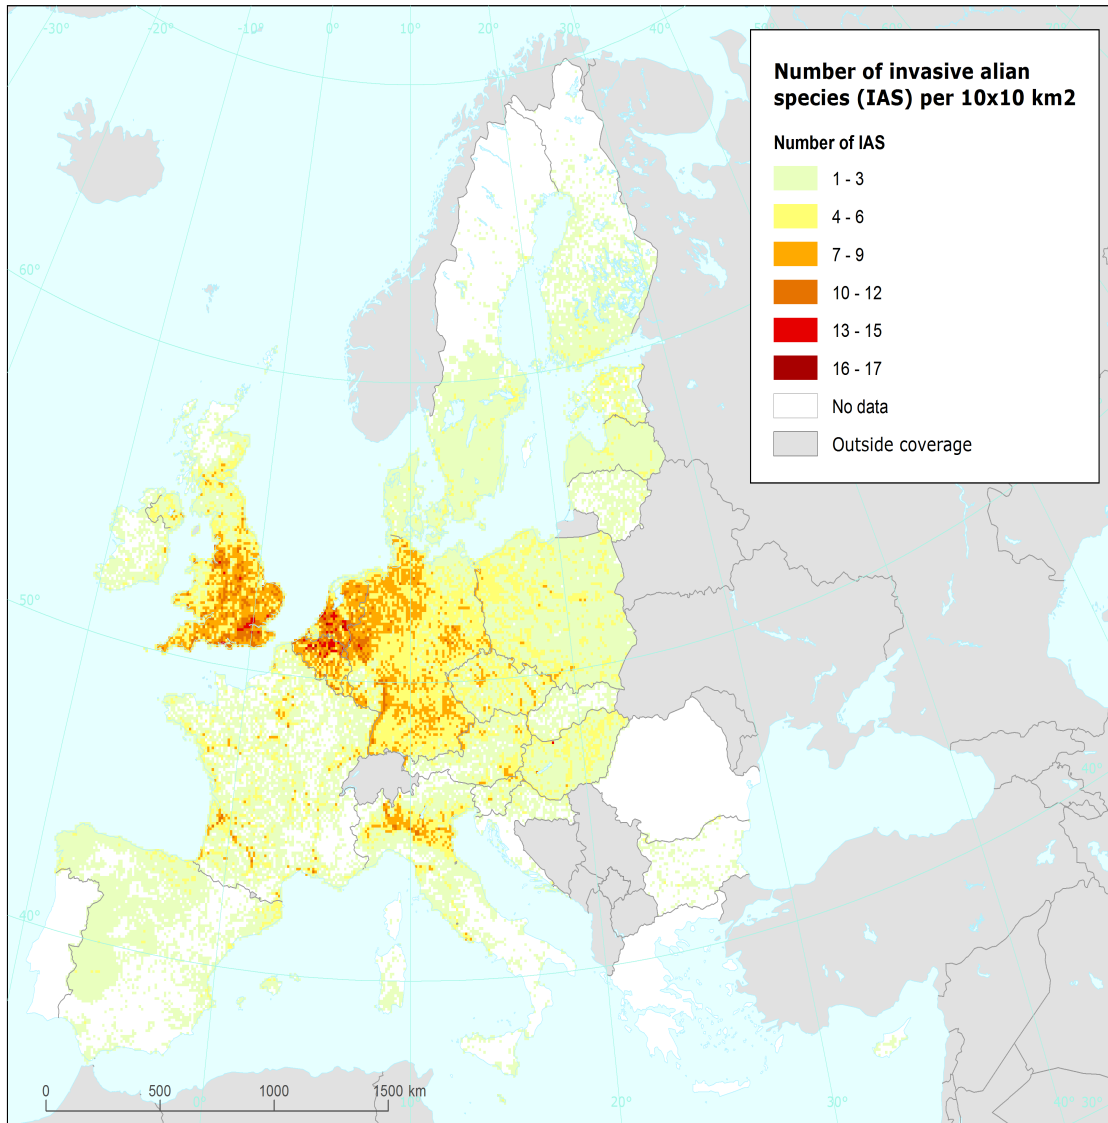

This record also contains tabular data as reported by Member States. This includes information on permits, inspections of establishments, rapid eradication measures and management measures. This reporting round concerns 48 Invasive Alien Species (IAS) of Union concern and IAS of regional concern.

All Member States are requested by EU Regulation 1143/2014 to report every 6 years on the IAS of Union, of regional and of Member State concern and to provide information on cross-cutting issues of the implementation of the Regulation.
