

Conservation status of habitat types 2007-2012, Sep. 2014

Gridded Distribution of Habitats as reported during the Article 17 of the Habitats Directive (92/43/EEC) covering the period 2007 to 2012. The data covers the EU 27 (2007).

All Member States are requested by the Habitats Directive (92/43/EEC) to monitor habitat types and species considered to be of Community interest.

Article 17 of the Habitats Directive 92/43/EEC requires that every 6 years Member States prepare reports to be sent to the European Commission on the implementation of the Directive. The Article 17 report for the period 2007-2012 includes assessments on the conservation status of the habitat types and species of Community interest.

Information on the data quality of the 2007-2012 reporting round is available at <http://bd.eionet.europa.eu/article17>.

The data are available in the table ART17_HD of the database.
