

GISCO - Metropolitan Regions 2021 (MREG 2021), Oct. 2020

Metropolitan regions 2021 are NUTS 3 regions or a combination of NUTS 3 regions which represent all agglomerations of at least 250 000 inhabitants. Version 2021 is based on NUTS 2021, based on the Commission Delegated Regulation 2019/1755.

These agglomerations were identified using the Urban Audit's Functional Urban Area (FUA). Each agglomeration is represented by at least one NUTS 3 region. If in an adjacent NUTS 3 region more than 50% of the population also lives within this agglomeration, it is included in the metro.

For more information see:
