

## GovReg: National emissions reported to the UNFCCC and to the EU under the Governance Regulation, 2026 ver. 1.0

Data on greenhouse gas emissions and removals, sent by countries to United Nations Framework Convention on Climate Change (UNFCCC) and the EU under the Governance Regulation. This data set reflects the GHG inventory data for 2026 as reported under the United Nations Framework Convention for Climate Change. This version include two digit country codes.

Please note that the accessible Excel-files only go back to 1990, where as the database and csv files cover the years from 1985.
